Questions from the Coalition meeting May 24th:

1. When will the Human Resource Manager be named (formerly the Chief of Training) ? **Interviews will be completed (hopefully) within two weeks; this was posted internally.**
2. Toolkit: **For Alcohol Awareness month ADAP will have copies of the “NIDA Publication on Addiction, this can also be downloaded at: www.nida.gov The Screening line is: 800-639-6095, and will be effective April-early May. Dawn gave us a handout of ADAP Alcohol Awareness Day projects.**
3. **The Senate Appropriations will be taking testimony on Substance Abuse/Gaps in services, on our Legislative Day, April 3rd at 1:30 pm.** The Coalition needs to be focused on our testimony.

Other areas we discussed:

There are huge gaps in transitional housing. Could there be a partnership between Housing, HUD loans and “Recovery Homes”. Sort of like a giant Spectrum One Stop for adults.

How the Coalition can be a part of the 08 Deter Budget, working collaboratively before the budget is decided.

How many Outpatient counselors might we need in Vermont to meet capacity?

How will ADAP/SAP roll out the JSI research data on the Student Assistance Programs? Hopefully the report will be done by the end of March.

WE DISCUSSED MUCH MORE BUT I WAS IN THE CONVERSATION AND TOOK FEW NOTES.

Next quarterly meeting is: June 20th, Wednesday 10:00-11:30 am at ADAP.
